

SELECTED WORK & CAPABILITIES

Mohamed Sharallah

Video Editor & 3D Artist

Egypt

Video editing in Arabic and English, with 3D shots when needed.

مونتاج فيديو بالعربي والإنجليزي، مع لقطات ثلاثية الأبعاد عند الحاجة.

Tools

Adobe Premiere Pro

Maya

Blender

Unreal Engine

Editing, motion, and 3D work brought together for video.

What I do

Short-form video

Reels, TikTok and Shorts, cut for the first three seconds.

Long-form editing

YouTube videos, interviews and freelance-topic content in Arabic or English.

3D and motion inserts

Product shots, intros and scenes made in Maya, Blender or Unreal.

Get in touch

Send the footage, the deadline and one reference video you like.

VIDEO EDITING · 3D · MOTION

Selected projects

Three projects, in the same order as the online portfolio.

01

3D video — Confusion

A 3D and motion piece.

[Watch on YouTube ↗](#)

02

Tokyo at night

A 38-second montage edited in Premiere Pro, with neon city shots, split-screen layouts and a teal night grade.
